THE EXECUTIVE CASE

This is not a one-post media buy. It is a season-long association with the moments investors actively seek: company results, management guidance, and analyst questions.

- 91+ core brand placements across the opening post and the coverage series.
- Interim and final reporting make performance visible and the campaign optimizable.

WHY IT MATTERS

**One sponsor.
One credible financial audience.
A presence that compounds with every call covered.**

TERM

From signing through the start of Q4 earnings season.

PACKAGE ARCHITECTURE

What the exclusive sponsor owns

Three high-value placements connect the sponsor to the entire earnings season, supported by measurable reporting and a focused Saudi financial audience.

MARKET PROOF

Argaam sponsored the Q2 2026 earnings-call series.

01

Opening post

The season hub launches the series and connects every earnings-call coverage in one reference point.

1 placement | Q1 opener 325K | Q2 opener 355K

02

Every coverage banner

The sponsor logo is integrated into every published earnings-call cover image throughout the season.

45+ placements | 81K average views per call

03

Exclusive partner introduction

The sponsor is presented before the full coverage, creating repeated context-rich brand association.

45+ placements | Exclusive category presence

91+ CORE BRAND PLACEMENTS MINIMUM ACROSS THE EARNINGS-CALL SERIES

PACKAGE INCLUSIONS

- No competing sponsor inside the Saudi earnings series.
- Logo in every coverage banner and in the opening post.
- Sponsor presented as the exclusive season partner.
- At least 45 published coverages during the season.
- Sponsor X account tagged in every published coverage.
- One mutually agreed call to action.
- Interim report after 15-20 coverages and a final report.
