THE OPPORTUNITY

Own the season - with no competing sponsor inside the series

No other sponsor will appear within the U.S. earnings series throughout the agreement term. Your brand is repeatedly placed inside serious financial content followed by investors, traders, executives, and market participants.

WHAT THE COVERAGE DELIVERS

Alsagri turns leading earnings calls into structured Arabic coverage highlighting key figures, management guidance, and analyst questions.

Historical performance indicates total views may exceed 2.5 million, with no guaranteed minimum view count.

PROMINENT COMPANIES EXPECTED IN SEASON COVERAGE

AAPL

MSFT

NVDA

TSLA

AMZN

MU

META

GOOGL

AMD

NFLX

The list may change based on earnings-call schedules and the significance of results.

BRAND PLACEMENT

71+ core brand placements, plus one dedicated promotional post

01

Opening post - the series hub

One opener links the season's coverage. The previous opener achieved 322K views; similar performance is targeted without guarantee.

1 PLACEMENT

02

Every published coverage banner

The sponsor logo is integrated into the cover image for every earnings-call coverage.

35 PLACEMENTS | 65K AVG.

03

Beginning of every coverage

The sponsor is presented as the exclusive season partner before the full coverage begins.

35 PLACEMENTS

EXCLUSIVE PACKAGE

A measurable sponsorship designed to compound with every coverage

Focused financial audience

Investors and traders, not a general audience. Every view has context and value.

Persistent series reference

The opening post links all season coverage, extending presence beyond a single post.

Repeated brand exposure

The brand appears throughout at least 35 published coverages.

Measurable and optimizable

An interim report supports message improvement before the final performance report.

PACKAGE INCLUSIONS

- No competing sponsor inside the U.S. earnings series for the full agreement term.
- Sponsor visibility in the opening post.
- Logo inside the main banner of every published coverage.
- Sponsor presented as the exclusive season partner at the beginning of every coverage.
- At least 35 published coverages during the season.
- Tagging the sponsor's X account in every published coverage (35+ times).
- One dedicated promotional post with mutually agreed copy.
- A mutually agreed call to action, such as Download the app or Learn about the service.
- Interim performance report after the first 15 to 20 coverages, followed by a final report after the season.

SPONSORSHIP CONSIDERATION

SAR 60,000

VAT is not charged because the service provider was not registered for VAT as of the date this proposal was issued.

EDITORIAL INDEPENDENCE

Alsagri retains full editorial independence in coverage and analysis. The sponsor pre-approves use of its identity and advertising message.
